

BACKGROUND

- s THE WORSHIP MINISTERS' SUMMIT is an initiative conceived by Pastor and Worship Minister Hum Kay in response to the prompting of the Holy Spirit starting about 12 years ago as an individual to individual, school to school, university to university, church to church outreach, till 3 years ago when it crystalized into ***The Worship Ministers' Summit;*** an annual gathering of worship ministers seeking to take their worship ministry and lifestyle beyond the song.
- s This event brings together worship leaders from across the body of Christ for a day of Bible-based teaching and experiential schooling in worship from seasoned, skillful and spiritually grounded worship ministers and pastors.

Worship Ministers' Summit 2017

THE WORSHIP MINISTERS' SUMMIT

OBJECTIVES

This program seeks:

- s To equip worship ministers with Word-based knowledge and understanding of the essence of worship not only as an activity, but also as a Divine calling, ministry and assignment.
- s To share experiences and practical skills for effectiveness as a worship leader.
- s To guide worship ministers on how to function effectively and harmoniously with the leadership within their local church context.
- s To stir up the kindred and Kingdom spirit among worship ministers and the body of Christ as a whole.
- s To create room for the free flow of the Holy Spirit.

THE WORSHIP MINISTERS' SUMMIT

Worship Ministers' Summit - 2017

This year's summit is scheduled to take place at **Deliverance Church – Makerere** on **Saturday 14th July 2018** from 9am till 5pm. It will be great if you can encourage friends, family and colleagues in the worship ministry to register and benefit from this very enriching program. Each delegate will register with 20,000/= to cater for their food and refreshments. (*An extra fee for accommodation and additional meals shall be applicable for foreign delegates who wish to spend a night before or after the Summit*) For proper planning, **registration closes on Wednesday, 12th of July 2018.**

POST-EVENT PROSPECTS:

Through the *Worship Ministers' Summits*, we believe to see the emergence of more orderly, stable, effective and sociable worship ministers, who are more spiritually aware of their call and place in the ministry.

It is also our vision and plan to grow from the current series of periodic Worship Events, Conferences, Workshops and annual Summits to an established *School Of Worship*, where serving and emerging worship ministers can receive, Biblical teaching, professional training and hands-on mentorship in preparation for the work of Ministry!
